 [www.wkaen.org](http://www.wkaen.org)

### Step 2 You're enrolled!

All information regarding your class will be given at orientation or sent to you via email or text before the class begins.

### OFFICE HOURS

Monday - Thursday  
9am - 6pm  
Friday  
8am - 12 pm

# CAREER PATHS

### WELDERS HELPER

A 48-hour training geared toward teaching students the necessary safety, theory, and practical lab experiences associated with different types of welding.

### INDUSTRIAL SAFETY (WESTEC)

A 48-hour basic employee safety training for general petroleum industry requirements. CPR and Forklift training are included.

### FORKLIFT (POWERED INDUSTRIAL TRUCK) SAFETY TRAINING

Comprehensive Forklift Safety course will prepare students to complete forklift tasks while abiding by OSHA and state regulations to reduce the risk of workplace accidents. 8 hour training.

### PARAPROFESSIONAL

This 48-hour training prepares students for a teacher's aide position in local school districts. Students will be prepared to assist a teacher in a classroom setting. In addition, they will know how to provide support and assistance to administrators, colleagues and to the students they serve.

### CONSTRUCTION

This 6 week course with hands-on training provides students with basic safety and other necessary knowledge and skills to perform in an introductory capacity on project sites. Completion of this training results in a state certificate that is recognized in Kern County.

### SECURITY GUARD CARD

This 52 hour training will allow students to obtain the Powers of Arrest and Weapons of Mass Destruction curriculum; take the written test; and get their fingerprints taken. CPR and Medic First Aid certification are included.

### HOME CARE AIDE

Intensive 48-hour training in the field of in-home supportive services. Provides training leading to entry-level medical employment and includes CPR and Medic First Aid Certification.

### CAREER CONNECTION

This is a self-paced training that aims to provide resources and skills necessary to meet a minimum level of professional training. This training includes Microsoft Office, Typing, Food Handlers, Workforce Skills. Certificates are given upon completion.
